Thomas Pipe & Supply

Thomas Pipe & Supply is a Phoenix-based wholesale distributor of industrial pipe, valves and fittings. Since our beginning in 1983, Thomas Pipe has grown from eight employees and a cramped warehouse and pipe yard to 33 employees and a 50,000-square-foot facility on four acres. With a fleet of nine trucks, we are able to supply quick delivery to anywhere in the Phoenix metropolitan area.

Who do we serve?

Some of the market segments we service include... Power Plants, OEM, MRO, Contractors, Industrial Manufacturers, Mechanical Contractors, Commercial Builders, Municipalities, Utilities, Fabrication Shops and many others

*** We are open on Saturday from 7am until Noon and offer 24/7 emergency on-call service**

Proud Members

Pipe Shop
b!06 2100

With a complete **pipe shop**, we are able to custom cut & groove steel pipe up to 18" and thread pipe up to 6" per customer specifications.

*Our pricing is always competitive, our service exemplary and our ability to deliver immediately is second to none. Pipes, Valves, Fittings, Gauges and Tubing are just some of our products. We deal in Brass, Copper, Carbon-Steel, (C)PVC, Stainless, Alloys and other materials. Please check with us over the phone if you have any questions. Our inventory is considerable and always growing.
